

PRE-CONFERENCE WORKSHOP

“New Teachers and Teachers Returning to Family and Consumer Sciences Inservice”

This workshop is designed specifically for those family and consumer sciences teachers who are new and/or returning to the field of teaching family and consumer sciences. Those who attended this session in the summer of 2002 are also invited to participate again this year.

Missouri family and consumer sciences teachers representing the middle school, junior high and high school levels will provide information and handouts on a variety of topics to include: implementing FCCLA as an integral part of the instructional program; department management and team work; classroom and lab management; and professional development, to name just a few. Updates on resources, curriculum, and technology for family and consumer sciences also will be provided. New teachers and those returning to family and consumer sciences will not want to miss it!
